

Gympie Volleyball Association

P.O. Box 1269, Gympie, Q, 4570

Attention Gympie Volleyball Members

Gympie Volleyball Executive have looked through the Guidelines given by QLD Volleyball on the Return to Play with Covid-19 regulations and come up with the following for Season 2 of 2020.

We hope to commence play

- Tuesday July 14 for Women's, at Gympie High Gym
- Thursday July 16 for Open, at the Pavilion, Southside

Each Venue will have Separate Entry and Exit Points.

- At the Pavilion they will be via the Glassed Doors on the Racecourse side of Building, where the Executive Table is located. Entry Court 1 side, Exit Court 2 side.
- Gympie High Gym will be in one door, out the other (to be confirmed)

Everyone is required to register that they have entered (and exited) the Building – need to keep a track in case someone tests positive to Covid-19

There will be Hand Sanitiser at the entry, exit and each Game Score Table

Players are required to use Hand Sanitiser on arrival, between sets and during Time-outs

If you are Sick – Stay at Home

Open Comp has 18 Teams, so we are having a Bye in A & C Grade, which means we only require 4 timeslots.

- Games will be 50 minutes
- Games will start at 6, 7.10, 8.20 and 9.30

There will be a 20 minute Gap between each Game

- During this 20 minutes Refs & Scorers will be Cleaning Equipment.

At the completion of each Match Players are to leave the building within 10 minutes to allow the next lot of players to come in ready to play.

No Spectators allowed; we will give consideration to Families who play on different teams & travel together.

Referees will need to bring their own whistles

Everyone will need to bring their own Water Bottles & Towels.

Players need to have the correct money on them for their game, or if they wish to pay a few weeks (or the season) in advance that is good.

Scoring teams need to supply 2 people only (scorer & 2nd Ref)

If teams know they will be short & require an extra player they will need to arrange this prior to the game, as there will be no spectators to ask to play.

Training will be on Tuesday's from 7.30pm at GSHS Gym (to allow time for Women to leave & cleaning to be done)
